Date: 02/09/26 Version: 04	OMNICANE LIMITED - AGRICULTURE BONSUCRO SUSTAINABILITY POLICY	omnicane Integrating Energies

Omnicane's Agricultural Operations at Britannia and Mon Tresor are fully committed to abide by the latest Bonsucro Production and Chain of Custody standards and Bonsucro EU RED III standard with the aim to reduce the environmental and social impacts of sugarcane production while recognising the need for economic viability.

Economic Sustainability:

In line with Principle 3 of the Bonsucro Production standard, the Company is committed to make the utmost use of its agricultural land and optimise its sugarcane yields through the following objectives to achieve economic sustainability:

- O1 - Adopting Good Agricultural Practices
- O2 - Abide by relevant sugar industry recommendations
- O3 - Improve mechanical harvesting efficiency

Environmental Sustainability:

The Company is also committed to minimise its environmental risks and manage the environmental impacts of its operations and activities in line with Principle 1 and Principle 4 of the Bonsucro Production Standard and the Group Sustainability & ESG Policy through the following objectives:

- O4 - Comply with all relevant environmental laws and standards
- O5 - Optimise use of water as per allocated water rights and energy resources for agricultural activities including irrigation for the benefit of its operations and neighbouring community
- O6 - Reduce, reuse and recycle waste wherever possible
- O7 - Manage agro-chemicals, wastes and by-products in a safe and responsible manner
- O8 - Take actions to reduce the carbon footprint of its operations wherever possible
- O9- Protect biodiversity, ecosystem services, and High Conversation Value (HCV) areas in case they fall within the immediate vicinity of its operational sites and ensure non-conversion of HCVs.

Social Sustainability:

In line with the Group Employee Handbook, Code of Ethics, Human Rights commitments, and Principle 2 of the Bonsucro Production Standard, Omnicane Agriculture is committed to respecting labour rights, human rights, community and land rights, and promoting ethical conduct throughout its operations. The Company strongly discourages and prohibits corruption, bribery, money laundering, fraud, discrimination, forced labour, child labour, and any form of harassment or abuse.

As part of its Corporate Social Responsibility (CSR) commitment, Omnicane Agriculture promotes inclusive development within neighbouring communities and aims to achieve social sustainability through the following objectives:

- O10 - Respect and comply with all applicable labour, human rights, occupational health and safety, land rights, and community engagement laws, regulations, and standards
- O11 – Support and engage in community-based initiatives through the Omnicane Foundation
- O12 – Promote ethical business conduct, human rights due diligence, anti-corruption practices and responsible stakeholder engagement through the Company's operations.

The Company shall uphold its management system through internal audits, management reviews and a continual improvement plan. Omnicane Agriculture shall review this policy annually and communicate it with all relevant stakeholders.
